Resignation from Sanitas Beteiligungen AG board of directors

Dr Ivo Furrer has informed the Sanitas Beteiligungen AG board of directors of his decision to step down from the board of directors and foundation board effective the end of May 2018. His resignation is due in part to his personal wish to optimise the substance and time spent on his directorships and pro bono activities.

Ivo Furrer has been a member of the Sanitas Beteiligungen AG (holding company) board of directors since 2012. Thanks to his management expertise and considerable experience in the insurance industry, Dr Furrer has played a key role in the successful development of Sanitas. He plans to devote himself to further challenges, for example in digitalisation and other new areas of business. He will be relieved of his duties at the board of director's meeting on 24 May 2018.

The Sanitas board of directors and executive board would like to thank Dr Furrer for his committed and professional service and wish him all the best for the future.

The board of directors will start the process of appointing a successor as soon as possible.
