

Prescription for artificial nutrition at home

Patient

Surname, first name

Street, no.

Address

Postcode, city/town

Telephone no.

Email

Date of birth

Health insurer

Insurance no.

- Yes**, I give my consent for the home care service listed below and the nutritional consulting body, if named under "Nutritional advice/comments/additions/treatment goals", to be sent the prescription or a copy thereof and for these bodies to supply my care needs in accordance with the GESKES guidelines (Gesellschaft für klinische Ernährung der Schweiz, Swiss society for clinical nutrition). All professionals working in the Swiss healthcare sector are bound by professional confidentiality. My data will be treated in confidence and in line with the data privacy laws.
- No**, I do not want the prescription or a copy thereof to be forwarded and I acknowledge that I must pay the invoice from the home care service myself and organise reimbursement from my health insurer.
- I give my consent for my data to be evaluated in anonymous form by the home care service and used for statistical purposes by GESKES.
