

Carefree package

List of supplementary insurance plans

Thank you for your interest in our Carefree package. This unique health solution from Sanitas offers attractive insurance benefits, discounts and services.

Interested?

For admission to the Carefree package, you have to take out a five-year contract for a combination of Sanitas supplementary insurance plans.

Sanitas offers a range of supplementary outpatient and inpatient insurance plans. You can choose which plans suit your current life circumstances. The general terms of insurance (VVG/IPA) and the applicable supplementary terms of insurance apply.

The exception to this is any deviations from these general terms of insurance for VVG/IPA supplementary insurance and supplementary terms explicitly mentioned in the Carefree contract.

Supplementary insurance entitled to a discount

If you take out a Carefree package, Sanitas offers a discount of 5% on all supplementary insurance plans with a fixed term of five years. The Capital Illness, Dental Basic and Planning a Family plans are excluded.

Prerequisites for new Carefree customers
