

Hospital insurance

# Hospital Top Liberty

Private hospital insurance

Three good reasons for choosing Hospital Top Liberty

Free choice of doctors  
and hospitals worldwide  
(elective treatment and  
emergencies)

Medical assistance  
including repatriation  
and full cover for trans-  
port and rescue costs

Private ward  
ensures access to  
optimum medical care  
and services

**sanitas**

Private cover ensures you'll be well taken care of if you're ever hospitalised or need emergency care in Switzerland or abroad. Sanitas gives you the peace of mind and flexibility you need as a patient – at an attractive price.
